PEKING DUCK . One of the most sophisticated arts of Chinese cooking. Chinese cooking. We prepare well in advance. Firstly, air is pumped into the duck to stretch and loosen the skin, then boiling water is repeatedly spread over the bird, which is then carefully dried. The dried skin is rubbed all over with maltose and the duck. At then roasted in a hot oven for a period of time until the meat is tender and the skin crispy. The duck is served with house-made paneakes, green scallions, fresh cucumbers and special sauce. Also no need special order, we are ready for you any-time. VEGETABLES 然音本篇 △59.
